Print length : 656 pages

Public administration is a complex and ever-evolving field, with a rich history and a wide range of theories and practices. To understand the current state of public administration, it is essential to have a strong foundation in the classics of the discipline. *Classics of Public Administration* by Jay Shafritz is a comprehensive and engaging textbook that provides a thorough overview of the field.

This book is divided into four parts. The first part provides an overview of the history of public administration, from its roots in ancient Greece and Rome to its modern development in the United States. The second part covers the major theories of public administration, including classical, behavioral, and postmodern approaches. The third part examines the major functions of public administration, such as budgeting, human resources management, and public policy analysis. The fourth part discusses the challenges and opportunities facing public administration in the 21st century.

Shafritz's writing is clear and concise, and he provides a wealth of examples and case studies to illustrate the concepts he discusses. This book is essential reading for students of public administration, as well as for practitioners who want to deepen their understanding of the field.
