Our phonics sight words short vowel storybooks are the perfect way to introduce your child to the world of reading, with simple, engaging stories and colorful illustrations that will make learning to read a joyful experience.

## What are Phonics Sight Words?

Phonics sight words are common words that cannot be easily sounded out using traditional phonics rules. They are typically high-frequency words, meaning they appear frequently in text. Teaching children to recognize sight words by sight can help them to read more fluently and with better comprehension.
