Johnny Cash, Johnny Cash, Baz Baz, I'm Only Only is a beautiful book that tells the story of Johnny Cash's life through his own words and the words of those who knew him best. The book is full of intimate photographs and never-before-seen interviews, and it provides a unique and personal look at one of the most iconic figures in American music.

Cash was a complex and fascinating man, and his life was full of both triumph and tragedy. He was born into poverty in Arkansas, and he grew up in a violent and dysfunctional home. But he also had a gift for music, and he began playing guitar and singing at a young age. Cash's music was often dark and introspective, but it also had a hopeful and redemptive quality. He sang about the struggles of the poor and the working class, and he became a voice for the dispossessed.
