King Lear, an aging monarch, decides to divide his kingdom among his three daughters: Goneril, Regan, and Cordelia. As Lear begins to distribute his kingdom, Goneril and Regan reveal their true intentions. They strip Lear of his power and authority, forcing him to wander the 荒野 in madness. Cordelia, hearing of her father's plight, returns to England with an army to restore him to his rightful place.

The ensuing battle leads to tragedy and heartbreak for all involved. Lear dies in Cordelia's arms, and Goneril and Regan kill each other in a fit of
