## **Odessa**

City of contrasts, where East meets West, Where the past and present intertwine, Where beauty and decay are intertwined, And the spirit of the people shines.

Your streets are a tapestry of history, Your buildings a testament to time, Your people a mosaic of cultures, A symphony of voices, a rhyme.

I have walked your streets, breathed your air, Felt the pulse of your beating heart, And I have been captivated by your charm, Odessa, you are a work of art.
