

# Presagi Omens: Unveiling the Shadows of the Future

## A Collection of Illustrated Poetry in Italian and in English

Presagi Omens is a collection of illustrated poetry in Italian and in English, born from the desire to capture the essence of premonitions. It is a journey into the realm of the unknown, where the shadows of the future dance and whisper secrets to those who dare to listen.

The poems in this collection are as diverse as the omens themselves, ranging from the subtle and enigmatic to the bold and prophetic. Some poems speak of love and hope, while others delve into the depths of despair and loss. But all of them share a common thread: the sense of anticipation that comes with knowing that something is about to happen.
