Riding Racing Motorcycles: The Golden Age of Motorcycles is a comprehensive history of the sport, from its early beginnings to the present day. This book is packed with stunning photography and insightful commentary from some of the greatest riders in history.

The book begins with a look at the early days of motorcycle racing, when riders competed on dirt tracks and board tracks. The author then traces the development of the sport through the years, covering the rise of road racing and the emergence of the Grand Prix championships.

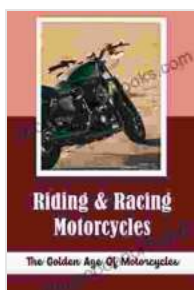

Along the way, the book provides insights into the lives and careers of some of the greatest riders in history, including Giacomo Agostini, Mike

Hailwood, and Valentino Rossi. The author also discusses the technological developments that have shaped the sport, from the early days of carburetor engines to the modern era of electronic fuel injection.

Riding Racing Motorcycles: The Golden Age of Motorcycles is a must-read for any fan of the sport. This book is a beautifully written and illustrated history of motorcycle racing, and it is sure to entertain and inform readers of all ages.
