Immerse Yourself in a Vast and Compelling Universe

Welcome to the Expanse, a breathtaking realm where humanity has spread its wings to the stars. But beneath the shimmering hulls of starfaring vessels and the sprawling space stations, a fragile peace hangs in the balance.

In this gripping space opera, a young woman's disappearance sets off a chain of events that could ignite a war between Earth, its Martian colony, and the distant asteroid belt. A mysterious artifact, the protomolecule, holds the key to both unimaginable power and chaos.

Join a cast of unforgettable characters as they navigate a web of political intrigue, betrayal, and the unraveling of a centuries-old conspiracy. From the hard-boiled detective Miller to the ambitious politician Avasarala, each character brings their own unique perspective to this epic struggle for survival.

Meet the Visionary Author: James S.A. Corey

James S.A. Corey is the pseudonym for writing partners Ty Franck and Daniel Abraham. They have been crafting the Expanse universe for over a decade, creating a rich and immersive world that has captivated readers worldwide.

With their backgrounds in hard science fiction and fantasy, Franck and Abraham weave a masterful tapestry of scientific accuracy and engaging storytelling. Their characters are complex and relatable, their worlds both familiar and alien.
