

The Backlash Against Immigration and the Fate of Western Democracy

In recent years, the issue of immigration has become increasingly divisive in Western democracies. Immigration restrictions have been tightened, and anti-immigrant rhetoric has become more common. This backlash against

immigration is a threat to the values and institutions that are fundamental to Western democracy.

In this must-read book, Yascha Mounk argues that the backlash against immigration is not just a matter of economics or culture. It is also a symptom of a deeper crisis of legitimacy in Western democracies. Mounk shows that the backlash against immigration is driven by a sense of anxiety and insecurity among many Western citizens. This anxiety is due in part to the economic and social changes that have taken place in recent decades. But it is also due to a decline in trust in government and other institutions.

Mounk argues that the backlash against immigration is a threat to Western democracy because it undermines the principles of equality and freedom on which it is based. He shows that anti-immigrant policies often lead to discrimination and violence. And he argues that the backlash against immigration is creating a climate of fear and intolerance that is harmful to all citizens.

The Backlash Against Immigration and the Fate of Western Democracy is a timely and important book. It is a must-read for anyone who wants to understand the challenges facing Western democracies today.

Author Biography

Yascha Mounk is a political theorist and associate professor of political science at Johns Hopkins University. He is the author of several books, including *The People vs. Democracy: Why Our Freedom Is in Danger and How to Save It* (2018).

Reviews

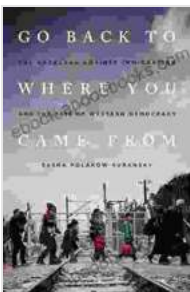

"Yascha Mounk has written a brilliant and timely book about one of the most pressing issues facing Western democracies today. *The Backlash Against Immigration and the Fate of Western Democracy* is a must-read for anyone who wants to understand the challenges facing our democracies and how to overcome them." - **Francis Fukuyama**

"Mounk's book is a powerful and persuasive argument for the importance of immigration to Western democracies. He shows that the backlash against immigration is not just a matter of economics or culture, but also a symptom of a deeper crisis of legitimacy. This book is a must-read for anyone who wants to understand the challenges facing our democracies today." - **Cass Sunstein**

"*The Backlash Against Immigration and the Fate of Western Democracy* is a timely and important book. Mounk argues that the backlash against immigration is a threat to Western democracy because it undermines the principles of equality and freedom on which it is based. This is a must-read

for anyone who wants to understand the challenges facing Western democracies today." - **Michael Ignatieff**

The Backlash Against Immigration and the Fate of Western Democracy is a must-read for anyone who wants to understand the challenges facing Western democracies today. Mounk provides a powerful and persuasive argument for the importance of immigration to our societies. He also shows that the backlash against immigration is a threat to the values and institutions that are fundamental to Western democracy.
