The novel follows detective Michael Bennett, a brilliant and driven investigator tasked with unraveling a series of gruesome murders that have gripped the city. As he delves deeper into the case, Bennett uncovers a sinister pattern that suggests the killer is driven by a primal urge, a thirst for blood that knows no bounds.

With each new victim, the killer's methods become more elaborate and the body count rises. Bennett finds himself drawn into a dangerous game of cat

and mouse, forced to confront his own inner demons as he races against time to stop the relentless slaughter.

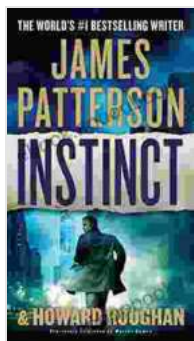

As Bennett digs deeper, he uncovers a hidden network of corruption and deceit, where nothing is as it seems and everyone has something to hide. The killer's motives grow increasingly murky, and Bennett begins to question his own sanity as the lines between good and evil blur.

"Instinct" is a masterfully crafted thriller that explores the dark recesses of the human psyche. Patterson's evocative writing and intricate plot will keep you guessing until the very end. The novel delves into the primal instincts that drive us, the darkness that lurks within us all, and the lengths to which some people will go to satisfy their twisted desires.

Prepare yourself for a pulse-pounding journey that will leave you breathless. "Instinct" is a must-read for fans of thrillers, crime fiction, and suspense.

Dive into the darkness and discover the primal urge that drives us all. Read "Instinct" today and experience the chilling truth that lies beneath the surface.
