Vox Musicae is divided into three parts:

1. **Part I: The Vocal Instrument**
2. **Part II: Vocal Pedagogy**
3. **Part III: Vocal Repertoire**

Part I provides a detailed overview of the vocal anatomy and physiology, including the larynx, vocal cords, and respiratory system. This section also discusses the different types of vocal registers and how to develop a healthy vocal technique.

Part II focuses on vocal pedagogy, covering topics such as vocal exercises, vocal warm-ups, and vocal troubleshooting. This section also provides guidance on how to teach singing to students of all ages and levels.

Part III offers a comprehensive overview of vocal repertoire, including classical, opera, and contemporary songs. This section provides guidance on how to select appropriate repertoire for students and how to prepare for vocal performances.

Vox Musicae is an essential resource for any vocal teacher or singer who wants to improve their vocal skills. This comprehensive guide provides a wealth of practical advice and guidance, empowering educators and singers alike to achieve their full vocal potential.
