Madeline is a bright and inquisitive girl, but she often feels like she doesn't fit in. She is too smart for the popular kids, but she is also too shy to make friends with the other outcasts. As a result, she often feels lonely and isolated.

One day, Madeline meets a new girl named Sarah. Sarah is everything that Madeline is not: she is confident, outgoing, and popular. Madeline is immediately drawn to Sarah, and the two girls quickly become friends. However, their friendship is soon put to the test when Sarah starts to bully Madeline. Madeline is torn between her desire to keep her friend and her need to stand up for herself.

Through it all, Madeline learns a lot about herself and about the world around her. She learns that it's important to be true to herself, even when it's difficult. She also learns that it's important to have friends who support her and who make her feel good about herself.

When Madeline Was Young is a timeless story about growing up and finding your place in the world. It is a story that will resonate with readers of all ages, and it is a story that will stay with you long after you finish it.
