Under Realm Academy is now open for enrollment, but beware: this is no ordinary school. Here, witches, necromancers, and dragons collide in a thrilling battle for supremacy that will determine the fate of the realm.

The witches, with their elemental magic, are a force to be reckoned with. They can control the elements of fire, water, earth, and air, using them to cast powerful spells and summon creatures to their aid.

The necromancers, with their ability to control the dead, are equally formidable. They can raise the dead to fight for them, and they can also use their dark magic to inflict terrible curses on their enemies.

And the dragons, with their ancient power and legendary strength, are the ultimate predators. They can breathe fire, fly, and transform into human form. They are the most powerful creatures in the realm, and they are not to be trifled with.

But within these factions, there are those who dare to break the mold. A young witch named Anya discovers a hidden power within her that could change the game forever. A talented necromancer named Darius struggles to reconcile his dark powers with his growing conscience. And a courageous dragon named Ember defies tradition to forge an unlikely alliance with those she was destined to destroy.

As the lines between good and evil blur, and the forces of darkness gather, the students of Under Realm Academy must find a way to unite against a common enemy that threatens to consume them all.
